Happy National Volunteer Week!

Collectively, our incredible volunteers have donated over 480 hours of their time since January in their efforts to support several projects at Ney. Of course, National Volunteer Week, is a great time to celebrate all that they have accomplished so far this year.

Please read our blog post for more information about our stand out volunteer projects so far this year.

Donor Spotlight

This spring, Ney was awarded a generous grant from Treasures in Town. **We are happy to share parts of our interview with Edrie Barton from Treasures to thank them for all the wonderful work they do.**

Edrie described that it is important for Treasures in Town to support residents of our area because “the local community supports our efforts with generous donations of clothing and household goods. Our customers, from both near and far, like the idea that all our profits go back to programs and projects in our community, and that adds to their motivation to purchase from our store!” She continued to note that Ney is a good partner for Treasures in Town because their “mission, ‘Recycle, Renew, Reuse’, aligns closely to the Ney Center’s focus on protecting the environment.”

Finally, Edrie was happy to mention that “as Treasures celebrates 19 years of service, still staffed entirely by volunteers, contributions to the Le Sueur-Henderson community total nearly \$400,000.”
