

2025 Tally Sheet

Use this tally sheet to keep track of your count/s before putting the data on the final report. Record the greatest number of Birds counted at one time (choose your own times). Please return to Ney Nature Center by Jan 7, 2026. Thank you!

* Denotes an uncommon species that might require additional documentation.

** Denotes a rare species that must be documented with a picture, recorded call, or detailed description to be counted.
